# WHY BUY PICOS?

## 100% MADE IN EU - PORTUGAL

- ✓ We comply with the European Standards on Labour, Social and Environmental issues
- ✓ We accompany the complete production process since the purchase of yarn, the dyeing and finishing process till the actual make-up of the garment, including its embellishment
- ✓ Your employees will feel more safer and comfortable wearing our clothes, knowing that they have been produced under strict European regulations and that they have also contributed to reducing their carbon footprint
- ✓ We also cater for all types of accessories and decorations - includes prints, embroideries, etc.
- ✓ We comply with the OEKO-TEX standard and only use products which are considered: AZO-FREE

## MANUFACTURER

- ✓ We've highly qualified staff, motivated and prepared to respond to your needs and challenges
- ✓ We follow and thoroughly control all the production steps from the beginning
- ✓ We guarantee a strict quality control at all stages
- ✓ We've an internal laboratory prepared to test all our fabrics / colours in terms of dimensional stability, continuity of colour, colour solidity and lateral torsion. We also perform resistance tests to all embellishments and accessories
- ✓ We provide an after-sales service: continuous and constant monitoring
